

Action Hotline 24/7

Replace that old suggestion box with an action hotline that:

- Helps Meet Union Contract Requirements
- Public Agency Requirements
- Supports Your Open Door Policy
- Defends Against Labor and Employee Claims

Here's what the action hotline does with employee concerns or complaints:

- ☑ Provides a confidential 1-800 number
- ☑ Lets employees speak with an experienced interviewer
- ☑ Allows trained interviewers to clarify employee issue(s)
- ☑ Produces a hotline summary of the call and issue*
- ☑ Keeps small issues from getting any bigger
- ☑ Helps protect your business from labor and legal claims

(*CEA forwards all incident reports with 24 hours. CEA may provide support employers under a membership contract or independent consulting agreement))
